DESCRIPTION/OPTIONS: Hi friends thanks for looking. This is one of my personal trucks I've owned for over a year. I purchased it from the original owner. It's a Ram 2500 powered with a stock cummins with the high output 325hp engine. It runs and drives great. It has been well maintained, with many new parts since I've owned it. Upgraded trans lines, brakes, shocks, u-joints, radius arms...and more. It has power windows, cruise control, keyless entry, all terrain tires, running boards, a Bedliner. It runs and drives awesome, contact me to make an appointment.
